

MFC TRANSPORT PVT LTD – CASE STUDY – DROP DECK TRAILERS INNOVATION AND SOLUTION ORIENTED LOGISTIC SERVICE PROVIDER

- **Walchandnagar Industries** had to deliver an Air Heat Exchanger to Kalpakapum TN
- Dimension of AHX 14.2 m x 6.68 m x 6.67 m Weight 125 MT
- The en – route impediments would lead to extended transit time & cost escalation due to power shut downs, civil works to overcome overhead impediments

The Solution Drop Deck trailer

- Building on our dominion knowledge suggested the Drop Deck trailer instead of a conventional Hydraulic Trailer
- Validated the technical feasibility with the Original Equipment Supplier
- Were successful in transporting the consignment in the committed time frame
