

## **MFC TRANSPORT PVT LTD – CASE STUDY – MRPL REFINERY** **INNOVATION AND SOLUTION ORIENTED LOGISTIC SERVICE PROVIDER**

MFC Carried out end to end movement for 14 ODC package for MRPL refinery out of which 4 packages were moved by coastal voyage and balance by road from Bharuch to MRPL site.

Technical study, route survey and internal site study was done along with meticulous planning for execution and resource deployment to achieve the delivery schedule. Four Super ODC packages upto dimensions of Length 32m Width 5m Height 4m were rolled on to the barge from Mumbai and rolled off at the New Mangalore port and onwards delivered to MRPL using MFCs own Hydraulic and special Low Profile Deck equipment.

Another successful Multimodal job executed by MFC.
